

## Nature's Technology At Work in Your World®

Orb-3 Solutions natural enzyme technology is non-hazardous, non-toxic, & non-flammable, making them safe for the environment & those who use them. Complement pool/spa treatments with: enzymes for water quality & clarity, phosphate reduction agents, antifoam & cleaners for decks, furniture & equipment.

Pool & Spa

# ORB-3<sup>®</sup>

SOLUTIONS

## Antifoam

Treats up to 80,000 Gal

Fast-acting foam reduction  
People, pet & plant friendly  
Safe & easy to use

**Description** Orb-3 Antifoam consistently knocks foam down quickly & makes it easily controllable in pools, spas & water features.

Orb-3 Antifoam provides long-lasting, safe defoaming persistence.

By choosing our environmentally responsible product you can feel safe using Orb-3 Antifoam whenever necessary.

**Directions** Shake concentrate vigorously before using. Mix the recommended dosage with a bucket of pool or spa water & evenly apply around the water surface.

### Usage Rate

Spa: ½ ounce per 500 gallons

Pool: 2 ounces per 5,000 gallons

Repeat as needed

**For Best Results** Shake thoroughly before dispersing. Dilute dose with enough water to topically spray or add to water body. Wait 5 full minutes to see full effect of treatment. Increase or decrease dose as needed to control foam. For persistent foam or foamy areas, use an automatic feed pump.

**Special Instructions** Some separation is normal. Shake well before each use.

**Shelf Life** Store this product out of direct sunlight in a cool dry area. For best results, use within 6 months.
